

Public sector apprenticeship target report
The Priory Learning Trust
Statutory return September 2019

The government have set a target for public sector bodies, 2.3% of their current workforce (based on headcount) are to be apprentices. This target runs from 1 April 2017 to 31 March 2021.

The government have requested public sector bodies to publish their number of apprenticeships annually and report this data to the Department for Education. The first year for annual publication for The Priory Learning Trust is for the period 01 April 2018 to 31 March 2019.

The first reporting period deadline is the 30 September 2019. Our response must be recorded on the Education and Skills Funding Agency, Digital Apprenticeship Service System and published via our website for public access.

There are 6 questions to be answered and published, they are as follows:

Question	Answer
