## 1. Our commitment

The Priory Learning Trust (The Trust) Trust is committed to equal opportunity and values diversity. We will challenge prejudice and intolerance and seek to eliminate discrimination.

The promotion of equality of opportunity is in the best interests of our staff, students and the wider community, and is also in the best interest of the Trust, so that we recruit and develop the best people for our jobs and benefit from the diversity it brings.

The Trust recognises that many people in our society experience discrimination. Discrimination is acting unfairly against a group or individual, and can be direct or indirect. All forms of discrimination are unacceptable, regardless of whether there was any intention to discriminate or not.

We are aware of and comply with the 2010 Equalities Act and our duties under the Public Sector Equality Duty, and recognise that they support good decision-making. In accordance with the Equalities Act and Equality Duty, the Trust will strive to ensure that it considers the needs of all individuals and avoids discrimination in shaping our policies, delivering our services and in relation to our employees.

By understanding the effect of our policies and actions on different people and how inclusive services can give everyone opportunities, we are able to ensure our services are efficient and effective.

The Trust aims to create a culture that respects and values each other's differences, that promotes dignity, equality and diversity, and that enables and encourages individuals to develop and maximise their true potential.

This policy should be read in conjunction with the Equal Opportunities Policy (Staff) and Access & Equalities Policy (Students)

## 2. Legal duties

The Equality Duty covers the following 'protected characteristics':

- Age
- Disability
- Race, including colour, nationality, ethnic or national origin
- Gender reassignment
- Maternity and pregnancy
- Religion and belief, including lack of belief
- Sex, including gender reassignment

- Sexual orientation

It also applies to marriage and civil partnership with respect to the need to eliminate discrimination.

The Equality Duty requires the Trust as a public body to have due regard to the need to:

- **Eliminate unlawful discrimination**, harassment, victimisation and any other conduct prohibited by the Act
- **Advance equality of opportunity** between people who share a protected characteristic and people who do not share it.
- **Foster good relations** between people who share a protected characteristic and people who do not share it.

In complying with the Duty it may be appropriate to treat some people differently from others, for example providing a particular service in a way that meets the specific needs of people who share a protected characteristic.

The needs of disabled people must be taken into account in terms of employment and service delivery, and it may be appropriate to make reasonable adjustments or treat disabled people better than non-disabled people.

### 3. Actions to be carried out

In developing policies and practices, every possible step should be taken to ensure that individuals are treated fairly in all aspects of their employment by, or receipt of services from, the Trust and its academies.

Measures that will be taken include:

- a) for students - implementation of policies on equal opportunities (including race and gender equality, special needs, behaviour and anti-bullying);
- b) for staff - implementation of policies on equal opportunities, recruitment and selection, pay and anti-harassment policy;
- c) PSHCE, RS and other elements within the curriculum that promote tolerance and understanding about cultures and lifestyles;
- d) employing specialist staff to support students with special needs or disabilities;
- e) monitoring of welfare, with intervention and support where required;
- f) taking steps to meet the particular needs of students or staff that have a particular characteristic;
- g) making reasonable adjustments will be a matter for the academy Principal in consultation with the Central Team.

Specific objectives will be set and monitored to help the Trust and its academies to meet its duties and the aims of this policy.

Incidents involving discrimination and prejudice will be tackled immediately in line with this and other Trust and academy policies; legal support may be sought if appropriate.

Data related to the protected characteristics will be collected and analysed to monitor compliance with the Equality Duties which will be done in accordance with the relevant data protection legislation. This will include information on admissions, attendance, attainment, exclusions and prejudice-related incidents. Published information will not identify any individual.

All employees of the Trust have a duty to co-operate with the Trust to ensure that this policy is effective. We also expect students and parents and other visitors to the school to act in accordance with this policy. The Trust and its academies will promote this policy and ask anyone to report instances of suspected discriminatory behaviour so that they can be dealt with.
